YOUR TRAINING CAMP

This camp will be held at the National Sports facility in Tenero-Ticino, which is located on the beautiful “Lago Maggiore”. We’ll train hard during the two days, as this will be the final boost before the Championships. After trainings we’ll come together in the evenings to enjoy a BBQ next to the lake as a squad. Including accommodation (rooms of 2-6 people) and three meals a day this camp costs only 60 CHF per person per night. Make sure not to miss this great opportunity. Be there or be square!

YOUR BUDGET

This budget covers ALL the costs for the Championships.

It's calculated to be split between 14 players per team.

The budget has been calculated generously and any remaining funds will be reimbursed back to the players.
